Sub.:- Extension of validation period as Independent Third Party Meter Testing Laboratory

Ref.:- Your office e-mail dated 24.06.2021

With reference to the captioned subject and your office e-mail dated 24.06.2021 seeking extension of validation period as Independent Third Party Meter Testing Laboratory till 30.03.2022 based on NABL accreditation for Meter Testing till the said date, it is to state that the Commission has decided to extend the validation period till 30.03.2022 considering extension provided by NABL. However, the authorization shall stand automatically withdrawn after completion of accreditation of NABL unless it is not renewed and submitted to the Commission.

Further, it is expected that testing charges are economical and comparable.

With Regards,

(Roopwant Singh, IAS)
